ADVERTISERS

We feel that we are deeply indebted to you, the former students of Muenster High, for supporting our activities wholeheartedly during the years in which we have been in high school.

Because of your support, the Senior Class of Muenster High School wishes to dedicate this 1967 edition of the HORNET Annual.

The Seniors of 1967

IN MEMORY

It is with great respect and honor that we publish this 1967 edition of the HORNET in memory of Richard "Dick" Cain, who was suddenly taken from this life on April 23, 1967.

We feel a deep love and appreciation for this man who was a good friend of everyone. We shall never forget the many services he rendered for our school. His memory will long remain in the hearts of the students of M.H.S.

GRADUATES

No occasion carries more importance than graduation, for it is the first big milestone of your life. You now have an even greater responsibility and that is being a citizen of your community. You have accepted your responsibility well at Muenster High and I am sure you will continue to be outstanding in your future undertakings.

It has been a pleasure to have worked with you and I extend my good wishes to you for a useful future. Always remember that graduation is not the end of your education but the beginning.

SENIORS

The faculty and administration of Muenster High School wish you, the graduating class and those that will follow, all the success in future endeavors.

GEORGE PETRUS
Principal

MARIE MOSMAN

Science

Perhaps the greatest need in our society today is for leadership inculcated with the habits of critical-thinking that are characteristic of the methods used by scientists in solving problems.

BEN HARDY

Student Counselor

Walk worthy of the vocation in which you were called.

BETTYE DODDS

Business

Young people should "enjoy pleasure in such a way as not to injure future ones."

EDGAR DYER

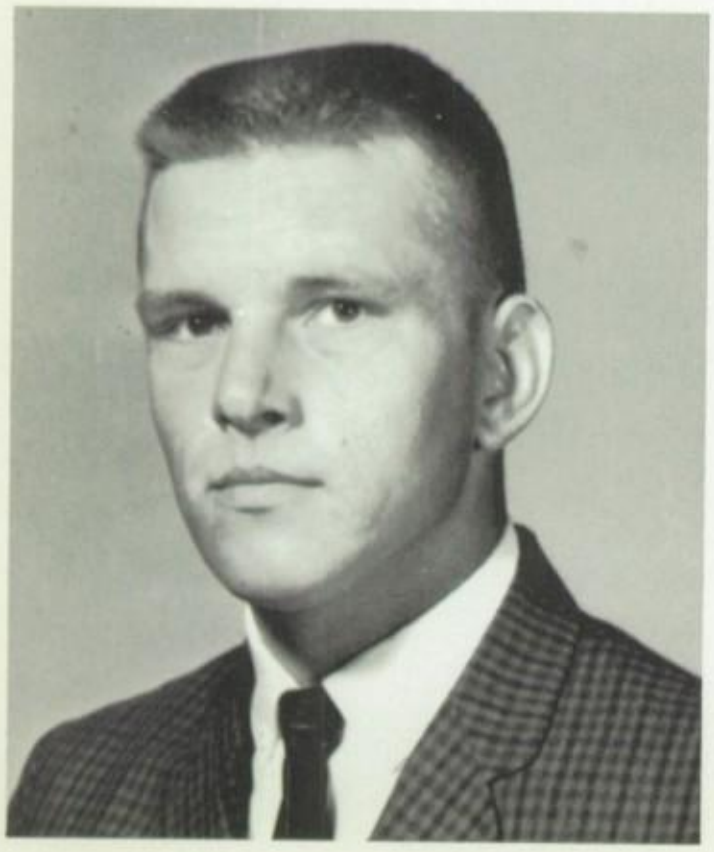
Scientific literacy is needed by each member of a culture such as ours that is so thoroughly based upon technology and scientific endeavor.

JANIE WEINZAPFEL

Homemaking

Personal integrity may be encouraged in honesty of word and deed.



GLENN RICHARDSON

Athletics

A major process of learning is acquiring an understanding of the forces and processes of materials and of living things.

PHYLLIS COFFEY

English

We may give advice but we cannot give conduct.

CARL KING

Math

Help stamp out laziness, welfare as a career, government hand-outs, and the something-for-nothing attitude that seems to be increasing in our nation today. Uphold the dignity of honest work, and let the satisfaction of a job well done be your sufficient reward.

PATSY SLOAN

Librarian

The body, like the mind, grows by what it feeds upon, and the student's reading, like his diet, should be well balanced. Great quantities of low-quality reading will not provide the intellectual calories necessary to the growing mind.

GERALD PAYNE

Band

Happy is the man that findeth wisdom, and the man that getteth understanding.

EARLENE TAYLOR

Remedial Reading

A word fitly spoken is like apples of gold in pictures of silver.

SNEED HARSHBURGER

A word spoken in due season, how good is it!

MRS. LOREE BRUNS

We are grateful to Mrs. Bruns for the services of collecting the taxes which support our school.

MR. JAMES ECKART

The students of M.H.S. appreciate the work Mr. Eckart does in maintaining the efficiency and betterment of our building.

FOREWORD

The Seniors of 1967 wish to thank everyone who has guided us through the past four years. We deeply appreciate all the help and guidance you have sacrificed in behalf of our class. Because of your teaching we will someday become leaders just as your ancestors have raised todays leaders.

PROPHECY OF SENIOR CLASS 1967

The greatest society event of the year 1977 took place in a large church in downtown Muenster. It was the wedding of Terry Wimmer and Doris Lutkenhaus. The gala affair supplied a perfect chance for the reunion of the M.H.S. Seniors of '67. Among the crowd of classmates present to wish the newlyweds happiness we see Ken Stormer who reluctantly took leave from his post in the Rocky Mountains where he is employed as a Forest Ranger. Accompanying him on the trip was his body guard and life long companion, Yogi Bear. Also present are Mr. and Mrs. Wayne Klement. Wayne and Linda found time to leave their nationally known dairy (Colonial Fields). In the midst of a crowd of screaming girls we see Chris Cain better known to his movie fans as Cuddly Chris. We now see Terry Cason, world famous veterinarian, who is now working on a project to discover a cure for hog arthritis.

Who do we see now? Its the superintendent of old M.H.S., Tommy Yosten, and his devoted Bookkeeping teacher, Glenn Klement.

After delivering a provoking but guiding sermon to the couple, we now see the Reverend Brad Dennison heading for the punch bowl opps!!! There was a little spill but it is now being cleaned up by the maid, Jill Swirczynski. Jill catches quite an eye from the guests as she parades in her mini-maid skirt. Supplying the music for this gay event is Larry Vogel, now head of the group, Herman's Hermits.

As the guests begin to leave we find the Newlyweds preparing for their honeymoon. After a short honeymoon the couple will return to their hometown in Thackerville where Terry is a prominent business man who owns a night-club, better known as "Johnny's". Doris helps as being his bar maid.
